

PartsCare

Presenting PartsCare

Dear valued customer,
via this news letter we'd like to present you our company: Who we are and what we do. Further more you will find what we can do for you! We are a broker and approved distributor for many companies, we purchase aircrafts to part out, we activate dead- and surplus stock to sell throughout the market place. If you feel that we can be of help for your company with any or all of our activities we welcome you to contact us.

Meanwhile I'd like to take this oportunity to thank those companies that already did some great business with us!

Sincerely,
Commercial manager
Geeraard (Gerry) Hens

Introducing the Modula Lift

We recently received the delivery of our Mondula Lift. The Lift is equipped with ESDS so we can store even the most sensitive electronics in it. This state of the art storage system will be key to our modern warehouse! Together with our ERP system this will save us major time in picking your parts and get them out as fast as possible.

Comming Soon: Citation

Some of you already know this: we have our own Cessna Citation business jet currently stationed in the USA. Soon it will fly to Belgium where we will dismantle it and part out. Follow us on our website and/or keep posted on this newsellet to receive more info once available!

Contact us for your restocking

Forward us your restocking list and we will provide you most of what you need from one location at the best possible price. Don't you know where to source your parts, want to reduce your stock levels or cutting back on your freight charges? PartsCare can help you out!
